supporter of  
**ParalympicsGB**

**Our new box menu is a number of dishes freshly prepared and pre-boxed by our Chefs. Boxes are given out to your guests as they break, eliminating any queues whilst providing a unique and delicious lunch option.**

Our box food concept is completely sustainable, made from recycled materials which we collect during the lunch service, wash and send on to be recycled further.

The UK's leading sport and entertainment caterer, Levy UK are proud to be supporting the British Paralympic Association (BPA). Each donation will support Levy UK's efforts in sending British Paralympic athletes to compete in the Tokyo games and beyond.

By opting for our box food menu you will be helping us support the BPA, **£2 from each package sold** will be donated to the BPA.

Levy will recognise the BPA as their charitable giving partner as it ties intrinsically with the world in which they operate, but also as they strive to become a more inclusive and accessible employer.
